

BREAST CANCER EDUCATION SERIES

The Breast Cancer Support Group at McLaren Bay Region proudly offers a Breast Cancer Education Series for new patients, caregivers, and survivors. Join us for a presentation and answer session of a topic related to breast cancer. During this program, you are welcome to listen, ask questions, or participate if you desire.

All meetings will be held in the conference room at the Health Pavilion, 3175 W. Professional Drive, located on McLaren Bay Region's West Campus. Guests are welcome to join you! RSVP requested, but not required to Colleen at 989.667.6357.

Tari Stull, MD

Colleen Woods, RN, BSN

Tari Stull, MD, Breast Surgeon and Colleen Woods, RN, BSN Breast Health Navigator will be your hosts for the meeting and will also be available to answer any individual questions you may have.

THURSDAY, APRIL 5, 2018
6pm

Caregiver Support & Coping Strategies

Speaker: Karen Pabalis, MSW, Department of Rehabilitative Services, McLaren Bay Region

Since your breast cancer diagnosis, those that care for you have gone through a traumatic experience as well. Please bring your support person(s) and/or caregiver to this program designed with their needs in mind.

THURSDAY, MAY 3, 2018
6pm

Dealing with Side Effects from Aromatase Inhibitors

Speaker: David Haugh, Pharm.D., Oncology Pharmacy Specialist, Karmanos Cancer Institute at McLaren Bay Region

Discussion with the pharmacist on managing bothersome side effects of Aromatase Inhibitors.

THURSDAY, JUNE 7, 2018
6pm

Pet Therapy

Speakers: Rose Smith, Recreational Therapist, McLaren Bay Region and Jean Colby, Canine Assisted Therapy Volunteer

It's been scientifically proven that interaction with a gentle, friendly pet has benefits, including lower blood pressure, improved cardiovascular health, release of calming endorphins, lessened depression, decreased anxiety and much more! Join Rose and Jean for a lively discussion and hands-on pet therapy session!
