Special request from Kathy Gilson, Church

Historian. As she is working on the church history for 2020 and she thought it would be nice if people wrote up something about what it was like this year for them. It does not have to be long or fancy. Any age and topic, about church, family, work life, etc. If you would like to participate you can send your submissions to Kathy Gilson 208 Mustang Lane. Apt 6 Auburn, MI 48611 or to the church office and I will make sure she gets them.
