WELCOME...

As a new person attending for the first time or a member who has been here for generations we are glad you have chosen to worship with us today.

Please know that we are doing everything possible to keep you safe during this pandemic time. We have installed hand sanitizer units in several places in the building and a certified cleaning crew will be cleaning the building each week. We are requesting that everyone wear a face mask, if you need one there are some available near the main entrance (kitchen side).

- ◆ Please take a moment to sign in on the contact tracing sheet. *This information is for AUMC use only and also helps us keep attendance.*
- ◆ We welcome children in service! At this time we are not offering Children & Youth Sunday School, however, the teachers have put together backpacks with activities for each child. *New activities weekly.* They are available in the Fellowship Hall and are welcome to do during service.
- Our nursery is open for children 3 and under, downstairs in room 2. They are also welcome in service, if you need to step out with them, there is a rocker located in the Parlor area behind the sanctuary and there is also a changing station in the bathroom in the library hallway.
- For those with hearing difficulties, our sanctuary has a Hearing Loop system that will work with the t-coil in your hearing aid or we have headsets available at the sound booth.
- Our services are broadcasted on Facebook Live & YouTube, if you do not wish to be seen please sit on the outer edges or towards that back to avoid the camera.

REFRIGERATOR FUNDRAISER
