

WELCOME...

As a new person attending for the first time or a member who has been here for generations we are glad you have chosen to worship with us today.

For your safety, hand sanitizer units have been installed in several places throughout the building. A certified cleaning crew cleans the building each week. At this time there are no mask requirements to attend but if you feel more comfortable wearing a face mask there are some available near the main entrance (kitchen side).

- ◆ Please take a moment to sign in on the contact tracing sheet. *This information is for AUMC use only and also helps us keep attendance.*
- ◆ We welcome children in service! Children & youth Sunday School classes will resume September 12. Each week coloring/activity sheets will be available in the Fellowship Hall and are welcome to do during service.
- Our nursery is open for children 3 and under, downstairs in room 2. They are also welcome in service, if you need to step out with them, there is a rocker located in the Parlor area behind the sanctuary and there is also a changing station in the bathroom in the library hallway.
- For those with hearing difficulties, our sanctuary has a Hearing Loop system that will work with the t-coil in your hearing aid or we have headsets available at the sound booth.
- Our services are broadcasted on Facebook Live & YouTube, if you do not wish to be seen please sit on the outer edges or towards that back to avoid the camera.

News You Can Use

WAIT! WHAT? THAT'S NEW...

Did you find something new in your bulletin today? Something on a blue piece of paper? You spoke and we listened. Starting for the month ending of May we will be providing YOU, the members of the church family, a complete monthly report. During our quest to revise our vision and mission, we provided a survey for congregation members to complete and we receive some very interesting feedback. We learned that you feel 'out of the loop', many could not list more than one mission project we are involved in. A suggestion was made that we try providing a quarterly report to the congregation to give you a chance to take some ownership in our church family. We took it one step farther and decided to do a monthly report, not only does it give you all the important financial information but it also provides you with a list of opportunities to get involved.

COVID RESTRICTIONS LIFTED JULY 1

Beginning July 1st, all building restrictions will be released at AUMC. Masks will no longer be required but if you feel comfortable continuing to wear them, please feel free to do so. Downstairs classrooms are also open for use. **AND** we can begin to have Fellowship time again with a few minor modifications. We are looking for some volunteers to get us started for the month of July. Please sign up at the Service Center in the Fellowship Hall or call Jenn in the office 989-662-6314.

TRUSTEES and those willing to help

Trustee meetings will now be on the 4th Sunday of each month (TODAY) following the service in the Fellowship Hall. You do not need to be a Trustee to attend you just need to have a willingness to help where needed around the church. We have lots of little projects to do and not enough people to get them done.
