## WELCOME...

As a new person attending for the first time or a member who has been here for generations we are glad you have chosen to worship with us today.

*For your safety, hand sanitizer units have been installed in several places throughout the building. A certified cleaning crew cleans the building each week. At this time there are no mask requirements to attend but if you feel more comfortable wearing a face mask there are some available near the main entrance (kitchen side).*

- ◆ Please take a moment to complete the Communication Card in your bulletin and put it in the offering box. *This information is for AUMC use only. We use it to track attendance, up date information and make a connection with visitors.*
- ◆ We welcome children in service! Children & youth Sunday School classes will resume September 12. Each week coloring/activity sheets will be available in the Fellowship Hall and are welcome to do during service. There is a small table located in the front of the church for kids to use.
- Our nursery is open for children 3 and under, downstairs in room 2. They are also welcome in service, if you need to step out with them, there is a rocker located in the Parlor area behind the sanctuary and there is also a changing station in the bathroom in the library hallway.
- For those with hearing difficulties, our sanctuary has a Hearing Loop system that will work with the t-coil in your hearing aid or we have headsets available at the sound booth.
- Our services are broadcasted on Facebook Live & YouTube, if you do not wish to be seen please sit on the outer edges or towards that back to avoid the camera.
