

## WELCOME...

As a new person attending for the first time or a member who has been here for generations we are glad you have chosen to worship with us today.

*For your safety, hand sanitizer units have been installed in several places throughout the building. A certified cleaning crew cleans the building each week. At this time there are no mask requirements to attend but if you feel more comfortable wearing a face mask there are some available near the main entrance (kitchen side).*

- ◆ Please take a moment to complete the Communication Card in your bulletin and put it in the offering box. *This information is for AUMC use only. We use it to track attendance, up date information and make a connection with visitors.*
- ◆ We welcome children in service! Children & youth Sunday School classes will resume September 12. Each week coloring/activity sheets will be available in the Fellowship Hall and are welcome to do during service. There is a small table located in the front of the church for kids to use.
- Our nursery is open for children 3 and under, downstairs in room 2. They are also welcome in service, if you need to step out with them, there is a rocker located in the Parlor area behind the sanctuary and there is also a changing station in the bathroom in the library hallway.
- For those with hearing difficulties, our sanctuary has a Hearing Loop system that will work with the t-coil in your hearing aid or we have headsets available at the sound booth.
- Our services are broadcasted on Facebook Live & YouTube, if you do not wish to be seen please sit on the outer edges or towards that back to avoid the camera.

## News You Can Use

### VISION & MISSION STATEMENTS

The Church Council has been working on creating a new vision and mission statement. Earlier this year many of you filled out surveys to help us find a direction. Now we want your ideas, after all this represents OUR church. Our current Vision is: **Creating a church where children and youth love to attend.** Our current Mission is: **Connecting people with the love and life of Jesus Christ for the transformation of the world.** What are your ideas for a new vision & mission statement? You can email them to the office or write them on a paper and drop it the "for office" box outside the office door.

### FELLOWSHIP TIME IS BACK!!!

We can't do it without you! We need volunteers to host Fellowship time and providing cookies or other light snacks. Coffee, juice and all paper goods are provided by the church. Please keep it simple, it is not a contest to see who can put out the biggest spread. Due to ongoing threats of covid we really want to keep it simple to avoid cross contamination. Current church attendance suggest 7-8 dozen cookies, extras can be frozen for another week. Sign up on the sign up sheet at the Serving Center.

### CENTRAL BAY DISTRICT – VACATION BIBLE CAMP (SCHOOL)

Due to the uncertainty of everything covid, our Faithbuilders Team has decided again this year to participate in the District VBS (or as they are calling it (Vacation Bible Camp) It will be done virtually, August 9-13. Registration is now available through the district website: <https://centralbay.michiganumc.org/>
